Content Beyond Curriculum –Value Addition Programs

Along with the technical Knowledge, an individual must be confident, vivacious and smart enough to become a winsome package in the industry. This all can be achieved through enhancement in personality. Personality is the combination of both- the external and the internal traits of human being. We focus on the development of both the external i.e. body language, expressions, communication skills as well as the internal i.e. attitude thought etc. along with pruning of all that is unwanted or undesirable in one's personality. One day per week is reserved for the Value Addition activities which include the following

Short Term Courses

- **Digital Marketing**
- **Programming (Android, Python)**
- **Aptitude Classes**
- **Communication Skill Courses**
- **Interview Preparation**

Personality Development Activities

- **Group Discussions**
- **Presentations**
- **Debates**
- **Case Studies**
- **IT Quiz**
- **Mock Drives**
