

GVM INSTITUTE OF TECHNOLOGY AND MANAGEMENT

VOL-04
(JUNE-DECEMBER) 2020

OUR PRINCIPAL

DEAR READERS,

These words by Franklin D. Roosevelt perfectly describe our aim at G.V.M. Institute of Technology & management. Beyond providing a sound education, we wish to provide our students a holistic learning experience for life. Our aim is to teach students to learn, not just study. Hence, we strive to travel beyond the boundaries of mere books. We have realized that the future is abstract and unknown but the youth in our hands are real and can be moulded. Always remember, great effort bears the sweet fruit of success. We want you to taste the fruit of success once and for the rest of your life, you will never rest.

*“We cannot always build
the future for our youth,
but we can build our youth
for the future.”*

VISION OF THE INSTITUTE

“The empowerment of women through higher education in the field of technology and management and to enable them to realize their innate potential and mould their overall personality.”

MISSION OF THE INSTITUTE

- *To impart knowledge, skills and creativity to all students.*
- *To provide a favourable environment for quality teaching, learning, and research.*
- *To create awareness on sustainable technologies and innovative solutions to societal problems including entrepreneurship.*
