○ Teaching load of each faculty

○ Internal continuous Evaluation System and place

**As an affiliated institution of DCRUST, evaluation norms of the university are followed. The college has adopted a method of assessing the academic performance of the students on a continuous basis. The marks allotted for internal exams are 2 marks and to that of external exams are 75 marks. In this frame work, the college conducts the following components as part of internal exams: sessional exams, class tests, written assignments, seminars and classroom interaction. Marks will be awarded for all the above activities and the average is taken as the assignment marks.**

○ Student's assessment of faculty, System and place

**Our institute encourage faculty to improve their quality of teaching; so we conduct faculty development programs in order to provide student with the best teaching practices, fair assessment and suitable behavior with them. At the**

end of each semester routinely the student evaluates the effectiveness and quality of their faculty in teaching by filling a feedback form. The purpose of faculty evaluation by students may help faculty to identify areas of strength and weakness in order to help them to improve their teaching practices, and provide them with their students' views about them.

- For each Post Graduate Courses give the following

Title of the Course	Curricula and Syllabi	Laboratory Facilities exclusive
MCA	<a href="http://www.dcrustm.ac.in/syllabus/">http://www.dcrustm.ac.in/syllabus/</a>	LAB 1 & LAB 2
MBA	<a href="http://www.dcrustm.ac.in/syllabus/">http://www.dcrustm.ac.in/syllabus/</a>	LAB 3 & LAB 4

- Special Purpose
  - Software, all design tools in case
  - Academic Calendar and frame work
- Enrollment of students in the last three years

- Best Practice adopted, if any

College has setup an Industry Advisory Board with an objective to establish strong industry connects, conduct workshops; such as MDP, FDPs with collaboration with industry and provide suggestions for process improvement as well as curriculum improvement

Regular training & placement is imparted in the area of communication skill and aptitude to the students to make them employable.

The college has encouraged students to pursue internships during the vacations and acquire necessary problem solving skills.

The college regularly encourages the students to compete in external competitions (tech fests, paper presentations and idea and innovation contests)

Parents meet are conducted to take the regular feedback about the progress of their ward and overall development of the college.

A unique counseling process is followed wherein each faculty is allocated 20 students as a Proctor with an objective to constantly follow student progress and accordingly suggest changes in case of any deviation.

Case Analysis / Applied Problems Solving: To develop the conceptual skills, to identify & formulate and solve problems innovatively, students undertake Case Studies and Simulation Exercises.

Tutorial Classes for weak students.

Earn-While-Learn scheme for deserving students implemented.

Financial assistance to the poor and needy students is made available.

Ragging is an undesirable social offence which is totally banned in the campus.

College to Corporate Sessions, English Proficiency Test, Aptitude test conducted for students for overall growth of students.
