# WEB DEVELOPMENT TRAINING

**GVMITM hosted a Web Development Training Program specifically designed for BCA and MCA students. The program ran from February 26th to March 12th, 2024. The training covered a comprehensive range of web development technologies, including Bootstrap, Node.js, Firebase, HTML, CSS, and JavaScript. Students gained practical experience through hands-on exercises and projects throughout the program. Following the successful completion of the training, students had the opportunity to showcase their acquired skills by developing their own web development projects.**

# MERA PEHLA VOTE DESH KI NAAM 'RALLY'

On March 1, 2024, GVMITM orchestrated a dynamic rally to raise awareness among young voters under the "Mera Pehla Vote Desh Ke Naam" campaign. The rally triumphantly echoed the significance of voting in democracy, showcasing the potential of young voters to enact positive transformations in the nation.

# MERA PEHLA VOTE DESH KE NAAM 'QUIZ'

On March 4, 2024, GVMITM engaged over 350 undergraduate and postgraduate students in a quiz session, where all participants received certificates. This event, part of the "Mera Pehla Vote, Mere Desh Ke Naam" campaign, effectively heightened awareness about the importance of voting among youth. It served as a forum to enlighten participants about their rights and duties as voters in a democratic society.

(6th March 2024)

# MERA PEHLA VOTE DESH KE NAAM 'NUKKAD NATAK'

On March 6, 2024, GVMITM students showcased a vibrant street play as part of the "Mera pehla vote desh ke naam" campaign. The play creatively emphasized the importance of voting and aimed to ignite civic participation. It served as an engaging platform to educate and inspire people to exercise their democratic right.

# TEAM BUILDING SESSION

At GVMITM, we understand that achieving success hinges on both leveraging individual strengths and fostering effective collaboration. This philosophy guided our decision to organize a Team Building session on International Women's Day, March 7th, 2024. The session, led by Dr. Ume, a renowned wellness coach from Australia, provided participants with the opportunity to delve into the art of collaboration and gain valuable insights into group dynamics. Dr. Ume's expertise and engaging activities ensured a successful session that equipped all participants with valuable knowledge and experiences.

# GROUP PRESENTATION

GVMITM fosters communication skills development throughout the academic year by organizing various activities and events. On March 7, 2024, a group presentation activity was conducted for second-semester BBA students. The class was divided into groups of seven, with each group assigned a unique topic for presentation. This activity aimed to enhance students' communication and presentation skills. The group presentations encouraged participation from all team members, fostering collaboration, conflict resolution, and other essential soft skills. Students gained valuable insights into professional presentation styles, including appropriate attire, demeanour, and thorough preparation.

# MOCK INTERVIEW

**GVMITM organized a Mock Interview session for BCA semester 2 students on March 7, 2024. Senior BBA semester 6 students acted as interviewers, providing a simulated professional environment for the BCA students. Participants were required to dress professionally, adhering to formal attire. This activity served as a practical application of the theoretical concepts covered in class regarding job interviews. The goal was to equip BCA students with enhanced communication skills valuable for their future endeavours. By participating in a mock interview setting, students gained a deeper understanding of interview dynamics and professional etiquette, fostering increased confidence and improved performance in real-world interview situations.**

# CAREER EXPO 2024

GVMITM organized a well-attended Career Expo on March 13th, 2024, bringing together a diverse range of companies and talented students. The event provided a valuable platform for on-campus recruitment by Banks, Financial Institutions, Multinational Corporations (MNCs), and Small and Medium Enterprises (SMEs). The Career Expo offered a plethora of positions across various industries, catering to a broad spectrum of student skillsets. Some of the highlighted profiles included: Accounting, Data Entry Operator, E-Commerce, Banking, Financial Services and Insurance (BFSI), IT Developer, HR Recruiter, Telecaller, Sales, Customer Care Executive (CCE). Companies employed a stringent two-round selection process to identify the most qualified candidates. The first round consisted of Group Discussions, allowing students to showcase their communication, collaboration, and problem-solving abilities. Shortlisted candidates then proceeded to individual Interviews, where they could elaborate on their qualifications and experiences.

# HOLI CELEBRATION

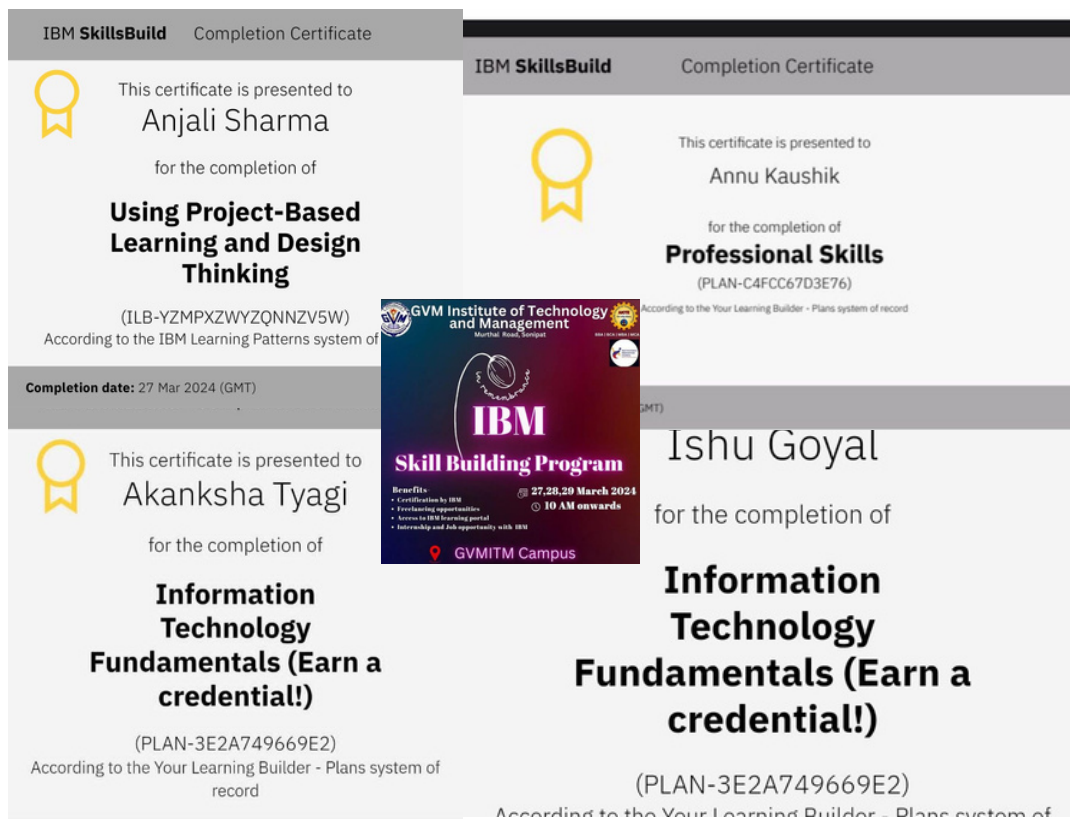

**GVMITM recently hosted a vibrant Holi celebration on March 22nd, 2024, within the college premises. This festival, traditionally known for dispelling negativity and fostering joy, provided a wonderful opportunity for students to connect and celebrate. Students were treated to safe and vibrant herbal colors (gulal) in a variety of hues. Hierarchical barriers dissolved as everyone enthusiastically applied colors and danced to lively Holi music played by a professional DJ. This centrally organized event aimed to cultivate a sense of community and togetherness among the student body. The celebration was graced by the presence of Principal Dr. Manju Papreja and other esteemed faculty and staff members. Everyone actively participated, making the day a truly memorable one.**

# IBM SKILL BUILDING PROGRAM

GVMITM College recently concluded a highly beneficial IBM SkillsBuild program, held from March 27th to 29th, 2024. This intensive workshop equipped students with in-demand tech skills and opened doors to exciting career opportunities. Program Highlights: Participants received official certificates from IBM, a valuable addition to their resumes. The program provided guidance and resources to help students explore freelance opportunities in the tech field. Students gained access to the IBM learning portal, a treasure trove of ongoing learning materials. The program connected students with potential internship and job opportunities within IBM.

# ANNUAL SPORTS DAY - FIELD DAY FIESTA 2024

GVM ITM organized a Annual Sports Day- Field Day Fiesta 2024 on March 28th, 2024, within the campus grounds, featuring a variety of sporting events. The day's activities included relay races, a lava walk, a balloon race, tug-of-war, badminton, chess, running events (100 meters, short put), three-legged races, a saree-pulling race, a jalebi-eating race, and a skipping rope competition. The culmination was a 4x100 meter relay race. Many students participated enthusiastically in the events, and the winners were awarded medals. Staff members also joined in the festivities, contributing to a thoroughly enjoyable day for all. The event was a collaborative effort, and everyone put in a great deal of effort to make it a memorable occasion.
